About Syed Ammal Arts and Science College

Syed Ammal Arts and Science College is run by the Syed Ammal Educational Trust established by the father of Dr.E.M.Abdullah in the name of his beloved mother Syed Ammal. He was a famous doctor, a well known philanthropist and a social worker. Dr.E.M.Abdullah was deeply interested in nation building activities such as providing medical assistance and uplifting the educational status of the poor and down trodden people of this backward district. For this purpose, he has started the Syed Ammal High School in the year 1964 and it was upgraded to higher secondary school. More over in order to ameliorate the standard of English knowledge to the weaker sections of this area, he has also started the Syed Ammal Matriculation School in the year 1976.

Following the foot prints of Dr.Abdullah, the management committee has started Syed Ammal Arts and Science College in 2010 with strength of 310 students in the vast area of about 56 acres on the east coast road between Ramanathapuram and Devipattinam. Now the strength is 2450 with 116 experienced Teachers. This college is a co-educational institution offering 15 under graduate courses and 4 post graduate courses. This institution has successfully completed 9 years of excellent academic service and now it is getting ready for NAAC accreditation.

ABOUT KALVI Higher Education and Research Institute

Kalvi Higher Education and Research Institute is one of the foremost Computer Education Institute in India. As Information Technology (IT) industry is one of the proliferating sectors in India, Kalvi play a major role in it. Education is the powerful tool to eradicate the Unknown dark, with this motto; we also provide education to all through the distance education by having tie-up with India's most Prominent Institutions in providing the distance education. The Distance Education is the sector where all people they use to sink in the ocean of knowledge behind the walls of lecturer, hence we also provide full time support from the beginning till the end of the course for receiving their certificates and the degree via the universities.

All the Engineering Candidates are always in the thirst of acquiring their degree through the value added technical courses in their field of study, they long for the International Certification Course to ensure they are globally achieved the unique place in the field of the competitive world, To make themselves a unique ward in the global consortium, we have a unique path for them by providing the direct international certification to get achieved by confounding them with the international certification courses to make bridge between the unique information technology sector and student community.

Hence we are not here to train but to motivate, stimulate their potential and encourage them to achieve the best position and to survive the ocean of new trend and technology by adapting with the wings given by Kalvi.
