About Syed Ammal Arts and Science College

Syed Ammal Arts and Science College is run by the Syed Ammal Educational Trust established by the father of Dr.E.M.Abdullah in the name of his beloved mother Syed Ammal. He was a famous doctor, a well known philanthropist and a social worker. Dr.E.M.Abdullah was deeply interested in nation building activities such as providing medical assistance and uplifting the educational status of the poor and down trodden people of this backward district. For this purpose, he has started the Syed Ammal High School in the year 1964 and it was upgraded to higher secondary school. More over in order to ameliorate the standard of English knowledge to the weaker sections of this area, he has also started the Syed Ammal Matriculation School in the year 1976.

Following the foot prints of Dr.Abdullah, the management committee has started Syed Ammal Arts and Science College in 2010 with strength of 310 students in the vast area of about 56 acres on the east coast road between Ramanathapuram and Devipattinam. Now the strength is 2450 with 116 experienced Teachers. This college is a co-educational institution offering 15 under graduate courses and 4 post graduate courses. This institution has successfully completed 9 years of excellent academic service and now it is getting ready for NAAC accreditation.

About Eminent Technology Solutions

Eminent Technologies is a part of Kalvi group which started its Technical Training in the field of Information Technology in year 2001 with Kalvi as its Brand Name. Successively Kalvi Group treaded as a revolutionizing innovatory in the field of Information technology as an independent software division in the name of Eminent Technologies in the year 2007.ETS is an enterprise software company and its headquartering at Bangalore, regional office at Madurai and having branch offices in all over Tamil Nadu.

Eminent Technology Solutions is a division of technical experts and students whose main intention is to guide student community by assisting them in learning new technology trends and providing necessary support to implement their academic projects on cutting edge technologies. The idea of launching this community is to help Engineering, Post Graduate students (Science stream) & Research Scholars to realize projects for their final semester & in their career. We have been offering live quality projects for EEE, ECE, CSE & Instrumentation Engineering disciplines.

Internship project Training at Eminent is "a systematic interactive teaching method that engages students in learning essential knowledge and career-enhancing skills through an extended guidance as per industry standards towards project execution."

The prioritized investments in research and development make Eminent Technologies to integrate the latest and best technologies into the service and support network. Our software development life cycle aligns the business objectives and customer requirements in a single line for the betterment of quality with more efficiency and cost-effective. We create products and services with expertise with a more simplified approach on complex IT environments using technology more effectively to drive your strategies and achieve your business goals.

Our Value-adding business performance strategy helps building our expertise in the sectors of consulting technology and outsourcing which paves a way to our clients to perform efficiently, so to create sustainable value for their customers and stakeholders. Using our industrial knowledge, service-offering expertise and technology capabilities.

Understanding between the parties

Recognizing the mutual benefits of collaborative activities in promoting international understanding, Syed Ammal Arts and Science College and Eminent Technology Solutions

agree to explore the feasibility of establishing frameworks and co-operative activities in educational endeavors. Such co-operation may include but is not limited to the following:

1. Project Implementation Assistance – Front end -- Dot Net, Back end -- SQL server
2. Project Documentation Assistance.

The above terms may be modified by mutual consent as and when required by an addendum. Terms and Conditions of MOU

The specific terms, expenses and other matters arising related to the implementation of any aspects of this MOU shall be discussed in detail by the parties concerned for each case. Any commitment of resources financial or otherwise, for co-operative activities shall be made in a supplemental MOU/Agreement for that specific purpose entered into at a subsequent date and approved by the official authority and signed by authorized signatory of each institution.

Roles and responsibilities

Both Syed Ammal Arts and Science College and Eminent Technology Solutions will nominate one individual from their institution as its primary representative in charge of co-operative programs. Individual projects implemented under this MOU or its supplements will be jointly planned and supervised by the nominees of both the parties. The parties agree to consult periodically concerning the status of the above mentioned activities and other relevant matters of mutual interest.

Validity

This Memorandum of Understanding will be effective for a period of three month from the date of signing and is subject to change, renewal by mutual consent.

Confidentiality

Both parties agree that they shall not utilize any information received from each other or from student data base for any purpose other than for conducting the agreed program.

Arbitration

All or any disputes arising out of this MOU are subject to only arbitration jurisdiction. In case of arbitration both the parties shall appoint the arbitrators and both parties will have to be present during the arbitration proceedings if any.

General

- a) Termination of this MOU may be made by mutual consent or by either party giving the other party three months' notice in writing.
- b) The captions used in this MOU are for convenience only and are not intended for legal effect
- c) If any provision or portion thereof of the MOU is invalid or unenforceable under any applicable statute or rule of law, it is to that extent to be deemed omitted.
- d) The parties have read this MOU and agree to be bound by all its terms. The parties agree that there are no conditions precedents. The parties further agree that this MOU and the services constitute the complete exclusive statement of the MOU between them and supersede all proposals, oral or written and all other communications between them relating to the terms and conditions of this MOU and the services.

Accepted, agreed and signed by the parties on the date, month and year stated here above

ABOUT KALVI Higher Education and Research Institute

Kalvi Higher Education and Research Institute is one of the foremost Computer Education Institute in India. As Information Technology (IT) industry is one of the proliferating sectors in India, Kalvi play a major role in it. It has been growing steadfastly and creating employment to a large qualified workforce making them to reach to higher positions.

Kalvi Higher Education and Research Institute, the most prominent sector in the field of training for Information Technology people, people can raise the question against, Why Kalvi? The Answer goes like this; Kalvi Institute not only concentrates on the development of the Information Technology Aspect but also full-fledged Training Partners of the Indian Government Courses like Vocational Training Program, Distance Education and International Certifications. Kalvi Offers International. Certification like IBM, Microsoft,

Adobe, Corel, Oracle, Tally, AutoDesk, HP, Cisco, C, C++ Institute, Linux, CompTIA, Toefl, GRE, Intel, Bentley

Education is the powerful tool to eradicate the Unknown dark, with this motto; we also provide education to all through the distance education by having tie-up with India's most Prominent Institutions in providing the distance education. The Distance Education is the sector where all people they use to sink in the ocean of knowledge behind the walls of lecturer, hence we also provide full time support from the beginning till the end of the course for receiving their certificates and the degree via the universities.

All the Engineering Candidates are always in the thirst of acquiring their degree through the value added technical courses in their field of study, they long for the International Certification Course to ensure they are globally achieved the unique place in the field of the competitive world, To make themselves a unique ward in the global consortium, we have a unique path for them by providing the direct international certification to get achieved by confounding them with the international certification courses to make bridge between the unique information technology sector and student community.

Hence we are not here to train but to motivate, stimulate their potential and encourage them to achieve the best position and to survive the ocean of new trend and technology by adapting with the wings given by Kalvi.

Understanding between the parties

Recognizing the mutual benefits of collaborative activities in promoting international understanding, Syed Ammal Arts and Science College and Kalvi Higher Education and Research Institute agree to explore the feasibility of establishing frameworks and co-operative activities in educational endeavors. Rameswaram.**

**PRINCIPAL
Syed Ammal Arts and Science College
KOOTTAMPULI, Pullankudi Post.
Ramanathapuram Dist.**

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) entered into on the 6th Jan 2020

BETWEEN

Department of computer science, Syed Ammal Arts and Science College, Dr. E.M.Abdullah Nagar, Devipattinam Road, Pullangudi, Ramanathapuram -623513 represented by its HOD , department of computer science Mrs.Dr.R.Malathi M.Sc., M.Phil., B.Ed., SET., herein after referred to as SAASC in this MoU Which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns and its subsidiaries and affiliates

AND

Accent Techno Soft, a global provider of Information Technology Services based in India. The three major divisions are Training, Development & Consultancy. In Education & Training, Accent Techno Soft offers high-end training, having its registered office at 12/15, Thulasi Baba Mutt Street, Rameswaram - 623526 represented by its Branch Manager, Mrs. R.Vanathi M.E.,MBA., herein after referred to as ATS in this MoU. Which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successors and assigns and its subsidiaries and affiliates

Together both **ATS** and **SAASC** are referred to as “the Parties” and singularly as “the Party”.

WHEREAS

ATS is unique in its training and delivery methodology as it is the first in India to provide the participant hi-end technology training followed by a rigorous internship in its development centre. This gives the participant a real time software development experience and makes him a “Complete Software Professional”.

AND

Syed Ammal Arts and Science College is a highly reputed Educational Institution, which has learned faculty, Centers of Excellence and large number of intelligent students, who can complement the efforts of Industry.

The parties have discussed and deliberated on various items of mutual interests and benefits and have deemed expedient to execute this MoU so as to mutually cooperate and jointly agree to exchange their expertise for mutual benefit and growth, on the areas and the terms specified hereunder:

NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERE TO:

Preamble

Industry – Institutional collaboration Initiatives will lead to efficient complementation of resources of both the sponsors, eventually leading to the development of a house of excellence for quality training, research and development, which will be of immense mutual benefit and also relevant to societal benefit. Realizing this objective, the Industry and the College, named above, have signed this MOU in order to achieve the desired results for the benefit of the students and community.

Objectives of MOU

- Offering classes to the students for skill development in multidisciplinary for department of computer science.
- Exposing students to implement advance technologies for a better knowledge in the field of computer science and technology.
- To built on innovative technology and creative strategies to accelerate product development in the area of computer science and technology.
- Practical based tests will be conducted in first half and second half of the program.

The fields identified for exchange of resource and knowledge are

- | | |
|-----------------------------|----------------------------|
| a. Industrial Visits | e. Problem Solving |
| b. Guest Lecture & Workshop | f. Curriculum development |
| c. Project Work | g. Studies and Consultancy |
| d. Research & Development | h. Internship |

a. Industrial Visits:

Based on convenience, ATS will allow students of SAASC for industrial visits, towards the benefit of practical exposure

b. Guest Lecture:

ATS will provide guest lecturers to students periodically to get them motivated to become competent and successful entrepreneurs. Vice versa, SAASC will provide classroom and explanatory sessions at its facilities to train / re-train the Employees of ATS.

c. Project Work:

ATS will allow students of SAASC for live project works, aimed at building confidence and will help them to get prepared for smooth transition from academic to a professional working environment.

d. Research & Development:

ATS will allow students of SAASC for the Research and Development work related to their fields to get an exposure.

e. Problem Solving:

When the problem areas or thrust areas are identified during the course of interaction between SAASC and ATS for further research and problem solving, they may use the facilities / resources available mutually.

f. Curriculum Development:

The experience and expertise of the Managers and Engineers of ATS will be made available for SAASC in framing the curriculum, so as to suit to the needs of the industry.

g. Studies and Consultancy to the Industry:

The faculty resources and expertise of SAASC, and student assistance could be made use of by ATS for undertaking any studies for improvement/ productivity increase in any of its activity segments.

h. Internships:

ATS can provide opportunities and inputs to students of SAASC to undertake internships and field studies to provide inputs in the field of Management, Technology Development and Marketing.

i. Financial Commitments:

Any financial commitment or obligation on any party should be mutually agreed upon in advance on a case to case basis.

MODE OF PAYMENT FOR TRAINING PROGRAM

- 50% of the course fees will be settled on first day of the training program.
- The balance 50% of the course fees will be settled on completion of syllabus, conducting exam, post assessment and distribution of Certificates.
- Add on fee details:

Total Course Fee: Rs. 3000 / Student (including projects) / year

Placement Fee: Rs500/student /year

The Industry and the College each represent that it has read and understand this agreement, that by signing below it agrees to be bound by its terms, and that it has caused this Agreement be executed by its authorized representatives.

This MoU shall be in existence for a period of three academic years and maybe extended for further periods by mutual consent.

IN WITNESS WHEREOF the authorized signatories of ATS and SAASC have executed this MoU at SAASC... on this day of 6th Jan 2020 Kootampuli.

Divine Softech

15th June 2020

Name: Mohamed Irsath R

Designation: Software Trainee

Dear Mr. Mohamed Irsath R,

With reference to your application and subsequent interview with us, we are pleased to appoint you as Designation in our organization on the following terms and conditions.

Date of Joining: You have joined us on 15th June 2020.

Salary: Packages will be discussed only after successful completion of your training period.

Place/Transfer: Your present place of Work

Probation/Confirmation: You will be on a Probation period for the THREE months. Based on your performance your services will be confirmed with the company after three months.

During the probation period your services can be terminated with seven days' notice on either side and without any reasons whatsoever. If your services are found satisfactory during the probation period, you will be confirmed in the present position and thereafter your services can be terminated on one month's notice on either side.

Absence for a continuous period of ten days without prior approval of your superior, (including overstay on leave / training) would result in your losing your lien on the service and the same shall automatically come to an end without any notice or intimation.

Leave: You will be eligible to the benefits of the Company's Leave Rules on your confirmation in the Company's Service.

Further, you will not take up any other employment or assignment or any office, honorary or for any consideration, in cash or in kind or otherwise, without the prior written permission of the Company.

NOTE*:

- You should work minimum 2 years here in this company.
- You should submit your certificates to us and get acknowledgement for that.

CONSIDERATIONS:

1. You will not (except in the normal course of the Company's business) publish any article or statement, deliver any lecture or broadcast or make any communication to the press, including magazine publication relating to the Company's products or to any matter with which the Company may be concerned, unless you have previously applied to and obtained the written permission from the Company.
2. You will be required to maintain utmost secrecy in respect of Project documents, commercial offer, design documents, Project cost & Estimation, Technology, Software packages license, Company's polices, Company's patterns & Trade Mark and Company's Human assets profile.
3. You will be required to comply with all such rules and regulations as the Company may frame from time to time.
4. Any of our technical or other important information which might come into your possession during the continuance of your service with us shall not be disclosed, divulged or made public by you even thereafter.
5. If at any time in our opinion, which is final in this matter you are found non- performer or guilty of fraud, dishonest, disobedience, disorderly behavior, negligence, indiscipline, absence from duty without permission or any other conduct considered by us deterrent to our interest or of violation of one or more terms of this letter, your services may be terminated without notice and on account of reason of any of the acts or omission the company shall be entitled to recover the damages from you.
6. This appointment letter is being issued to you on the basis of the information and particulars furnished by you in your application (including bio-data), at the time of your interview and subsequent discussions. If it transpires that you have made a false statement (or have not disclosed a material fact) resulting in your being offered this appointment, the Management may take such action as it deems fit in its sole discretion, including termination of your employment.
7. You will be responsible for safekeeping and return in good condition and order of all Company property, which may be in your use, custody or charge. We welcome you to DIVINE SOFTECH family and look forward to a fruitful collaboration.

Hope it will be fine with you...

With best wishes,

For Divine softech.
