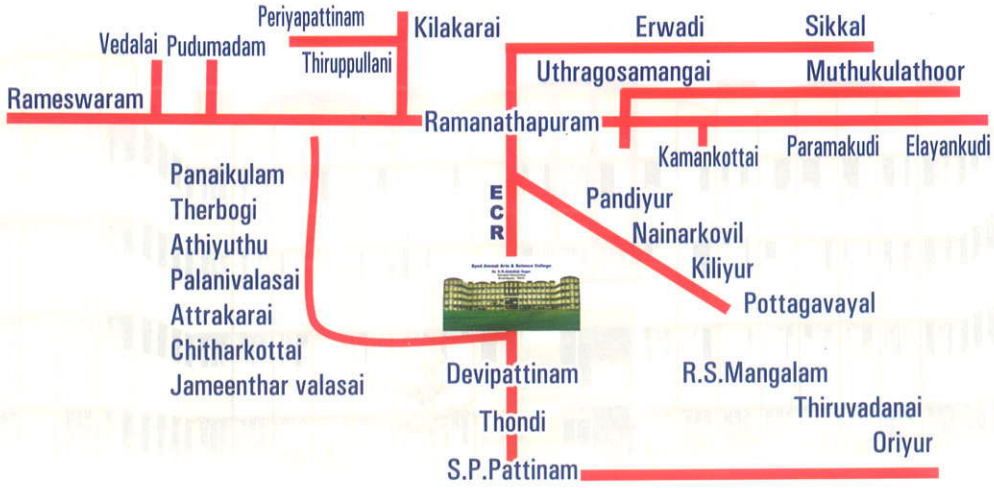
- நவீன கழிப்பறைகள் ஒவ்வொரு தளத்திலும் உள்ளன.
- வேலை வாய்ப்பு முகாம்கள் நடத்தப்படுகிறது.
- சுய வேலை வாய்ப்பு ஆலோசனை வழங்கப்படுகிறது.

BUS ROUTE



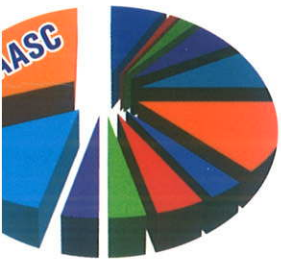
Dr.E.M.Abdullah

Dr.E.M.Abdullah M.B.B.S., was a famous doctor and a well known philanthropist in Ramanathapuram who served for the betterment of poor and downtrodden people of Ramnad Dist. He was a great academician and a strict disciplinarian. He established an educational trust in the name of his beloved mother "Syed Ammal" with the primary objective of providing education to the economically, educationally and socially backward sections of the society, for whom the education was unreachable. He started a High School in 1964 and it was upgraded to Higher Secondary School. Then he started a Matriculation School in 1976. In addition to the Schools, an Engineering College was started in the year 1998 with a view to offer quality Technical Education.

In continuation of his educational service, the present trust members have started a new college named "Syed Ammal Arts and Science College" from the academic year 2009-10 in a sprawling land area of 10 acres in Kootampuli village, Pullangudi post, Ramanathapuram District. It is purely a self financing institution affiliated to Alagappa University, Karaikudi. Now the college offers 15 under graduate courses 4 post graduate courses. This year 2019-20 M.Sc. Zoology course will be added. All courses have separate class for girls and boys.

Special Features of our College

versity Rank



Now we are having 15 UG and 4 PG courses. The total strength of students is 2400. 106 qualified teachers are working as Assistant professors. We are having separate computer labs for B.Sc., computer science B.Sc IT, BCA and B.Com., CA-English language lab is also set up. It is remarkable to note that a three storayed building with excellent infrastructure, laboratory and Toilet facilities, Drinking water (R.O. system) has been provided. An additional block with 2floors has been built. A vast playground with all facilities is available. 34 buses have been purchased a to transport the Students from remote villages. Seminar, workshops and conferences have been conducted by each and every department. Extension activities have been undertaken. Employment opportunities have been arranged. NSS programme and special coaching classes are conducted. T

. Concession is also given to cricket and volleyball players and the students have been allowed to participate in state level tournament, Separate Transport facilities are available for girls and Boys.
