COLLEGE EMBLEM

The emblem of the college consists of a shield divided into four parts. On the top left there is an open book with pen symbolizing knowledge. On the right there is a balance representing the divine justice. The bottom left represents a winning cup representing the success. On the bottom right there is a cap with rope representing the quality education.

Thus the emblem of Syed Ammal Arts & Science College enshrines the ideas of knowledge, Divine Justice, Success & Quality in education.

HISTORY OF THE COLLEGE

Syed Ammal Arts and Science College is run by the Syed Ammal Educational Trust established by the father of Ramanathapuram Dr.E.M.Abdullah in the name of his beloved mother Syed Ammal. He was a famous doctor, a well-known philanthropist and a social worker. Dr.E.M.Abdullah was deeply interested in nation building activities such as providing medical assistance and uplifting the educational status of the poor and down trodden people of this backward district. For this purpose, he has started the Syed Ammal High School in the year 1964 and it was upgraded to higher secondary school. More over in order to ameliorate the standard of English knowledge to the weaker sections of this area, he has also started the Syed Ammal Matriculation School in the year 1976.

Following the foot prints of Dr.Abdullah, the management committee has started Syed Ammal Arts and Science College in 2010 with a strength of 310 students in the vast area of about 56 acres on the east coast road between Ramanathapuram and Devipattinam. Now the strength is 2450 with 116 experienced Teachers. This college is a co-educational institution offering 15 under graduate courses and 5 post graduate courses. This institution has successfully completed 9 years of excellent academic service and now it is getting ready for NAAC accreditation.
